

# IT'S BEEN AN INTERESTING 12 MONTHS IN THE eDISCOVERY REALM.

Following the release of the Victorian Supreme Court's new Practice Note (SC Gen 5 Guidelines for the Use of Technology) it seems that technology and innovation is now at the forefront of every firm and corporate agenda

## INVITATION: SKY INNOVATION INCUBATOR

Sky would like to invite you to a luncheon seminar where we take a look back over the last year and look at the following:

- Pain points experienced by eDiscovery litigation support personnel.
- Review several of the innovations and solutions Sky and the team have developed using clever automations and workflows.
- The next 12 months to predict some of the challenges that will be faced by the profession and the trends.
- The road map for future development in the Sky incubator that will assist technologists and firms with their eDiscovery obligations.

## AGENDA ITEMS

- Synopsis of eDiscovery trends
- Skyconex - Automated Aconex Convertor
- SkyClass - Plaintiff Management
- Current eDiscovery Pain Points
- SkyNav - eDiscovery Task Management
- 2018 Sky Incubator Road Map
- Skyport - Automated Import Solution
- DIY Self Processing
- Open Q&A Feedback Session

## JOIN US

Please join us for food and drinks over the lunchtime seminar where we would love for you to participate in the session to provide your thoughts and feedback on the Australian eDiscovery market trends and future developments.
